NJ

By Slick Rik [01:05:00]

Full Count Big Band to Perform at "Sweet Sounds Jazz Festival"

Westfield NJ - The Full Count Big Band will be a featured performer during the final evening of the Sweet Sounds Downtown Jazz Festival on August 30th from 7PM to 9PM. Swing Dancing, toe-tapping music is the order of the day.

The "Sweet Sounds Downtown" Jazz Festival, sponsored by the Downtown Westfield Corporation (DWC), closes their 9th annual season in downtown Westfield, NJ with a return engagement from Full Count.

Sweet Sounds Downtown is extremely popular for all ages. "From contemporary or traditional jazz to blues to big band, there are live performances to please everyone" said Sherry Cronin, DWC Executive Director.

Sharing the bill on August 30th will be blues from noted Vocalist/harpist the Sandy Mack band, classic songs from the Jeanne Lozier band and accomplished Jazz vocalist Marlene VerPlank.

At this show Full Count will feature the traditional Big Band favorites, a number of new songs from the Count Basie swing era right up to some new rock and funk numbers from Tower of Power, The Buddy Rich Band and The Maynard Ferguson Band that were recently premiered during a successful engagement as the only local musical act participating in the Brick City Swing series at NJPAC.
