Music

The Music

Although the term big band is most closely associated with its heyday of the Swing Era (1935-1945), it is a genre that has existed from the 1920's and continues to this day. With a musical library of over

five-thousand arrangements, Full Count provides an eclectic mix of music ranging from the Swing Era classics to more contemporary jazz music, Latin, rhythm& blues, funk and rock. Regardless of the musical style the instrumentation of saxophones, trumpets, trombones and rhythm provides unrivaled harmonic and rhythmic excitement.

The Band

Trumpet - Joe Mosello toured with Maynard Ferguson and The Village Vanguard Big Band.

Trumpet - Ray Vansco toured with Tommy Dorsey Orchestra under direction of Buddy Morrow.

Alto Sax - Warren Fioretti played with Nelson Riddle, Harry James, Les Elgart and Buddy Morrow big Bands.

Tenor Sax - Don Giantomasi has played with most of the leading Jazz Players in the metropolitan New York area for many years.

Trombone - Peter Lin and Caleb Rumley are outstanding graduates of the William Paterson Jazz Studies Program

Drums – Rick Visone has traveled the world with the Glenn Miller Big Band among others.

Vocalists – Jackie Jones and Frank Noviello are two of the most sought after Jazz Singers in the metropolitan area and beyond and Rose Shargo is a featured Cabaret and Jazz singer with degrees in music and theatre.
